

DIVISION 15 - MECHANICAL

SECTION 15010 - PROTECTION OF UTILITIES

PART 1 - GENERAL

1.01 - DESCRIPTION

- A. Provide all protection, removal, and relocation of existing utilities associated with the work of the Division.
- B. Locate all existing utilities and equipment, in all areas of work, and record the actual locations.
- C. In general, conform to the requirements of Division 2, except as specifically modified in this Section.
